Innovative, fresh, and a throwback all at the same time. Paying homage to the Ghost Town DJ's hit song "My Boo" with a more urban twist. Relus Baum was born in Germany but grew up outside of Dallas, TX., and is currently residing in Las Vegas. Relus Baum is next up, and his song Wishing is a whole movement. This is a chart-topping record produced by and featuring @RaphaelRJ2 of Grammy Award winning "Beats How U Want Em". Credits: Lil Wayne, Rick Ross, Snoop Dogg, Flo Rida & More.

Inspiration

Story

Wishing is a song about haters. We all have them. It's about the ones we love who push for our downfall and how people we don't even know show us love. Crazy world we live in. How you react to the hate can make or break you. Use that hate as fuel to your fire, and get out of your comfort zone. That's exactly what Wishing does. It's a vibe.
